CHIEF MINISTER
GOVERNMENT OF PUDUCHERRY

PONDICHERRY

Date : 18.6.2026

Dear Sir / Madam,

Greetings from Puducherry.

Master K. Saatvik, a 17 years old boy, resident of Puducherry recently achieved a significant milestone by inventing “**Contemporary Device for Dum Cooking Method**” for which Government of India had granted full utility patent vide Patent No. 590011. It's proof of his creativity, dedication and vision. His innovation, persistence and brilliance have to be truly paid off and it is the beginning of even greater breakthroughs. He had turned imagination into reality and now the world gets to see the impact of his genius.

His case may kindly be considered for Pradhan Mantri Rashtriya Bal Puraskar-2026 Award under Innovation Category.

With regards,

Yours sincerely,

(N. RANGASAMY)
